“ Colin, Carrie & Corey. As sad & heartbroken as I am at the loss of your Mom & my Aunt, I smile at the many times I got to be with her & to talk with her. The happy stories are endless. You know how much she meant to all of us. She always had food at the ready, coffee made, an open ear & the tastiest sandwiches. Besides the food, she always made me feel special & always had me laughing. Always! I loved her & I'll miss her. We were so blessed to have her in our lives. Rest easy Auntie!
Love, Gina & Sharon

“ Connie was a very special lady who loved her family unconditionally. She was a friend to anyone, anytime. I will never forget her hilarious one liners, her kind heart, the encouragement she gave me to be the best I could be or her love for a spotless house. When I think of Connie I will smile at the times Carrie and I teased her. I'll always remember how to get permanent marker off of walls (yeah Carsten that was you!) and get a chuckle. She was a beautiful lady inside and out. I am praying for your family and that God will bring you all peace and comfort during this difficult time. Thank you Connie for the memories. Thank you for the laughs. Thanks for loving me. I will truly miss you XOXO
Love,

“ Dear Colin, Carrie, and Corey-

I am so very sorry for your loss. I wish I could find words that would make you feel better but I am at a loss. I have the fondest memories of Aunt Connie. There was a time when she lived in Lawton and I would get to "hang out" with her at your house. I always thought she was a "super cool" person and I felt so lucky to be around her. Please know that you are all in my thoughts and prayers and my heart is heavy. When Cody died she sent me a beautiful message and I want to do the same for you.
