"DAD"

If I could write a story

It would be the greatest ever told

Of a kind and loving Dad

Who had a heart of gold

I could write a million pages

But still be unable to say, just how

Much I love and miss him

Every single day

I will remember all he taught me

I'm hurt but won't be sad

Because he'll send me down the answers

and he'll always be My DAD

“ Mike you will be so missed by all who knew you. You were a good friend for many many years. My best memory of you will always be the fun we had on the boat dock at Jamie's in high school. You always had a smile on your face and made us laugh with your jokes and cut ups. RIP my dear friend until we meet again.. To the family so sorry for your loss and many prayers for you all. My deepest sympathies Cynthia Lovette Greenway

“ Mike was so sweet and special to everyone, he was always willing to help anyone. I'm sad you are no longer here, but you are no longer in pain. I pray for your family to be strong as you are watching over us now. I will miss you saying "Hey Baby" I love and will miss you forever. Mary Benson
