“ For the last 2 1/2 months we have either seen each other or spoke everyday. You were more than my Sponsee and I was more than your sponsor, we became friends. I remember December 27th walking downtown for about 3 hours, we ate at the Turkey shop but when you saw that there was a Simply Southern store down there you were like a little kid in a candy store. You spend all your money and I surprised you and brought you a wallet. Dawn went to church almost every Sunday and Friday with me I believe God saw your struggle and decided that you were ready for peace. Dawn you ended every conversation and every visit with saying " I LOVE YOU" so tonight as I sign off with my last goodbye " I LOVE YOU" May your soul enter into the Heavens and one day send your family a sign letting them know your at peace.
