“ I remember you with long blonde hair and driving the coolest yellow Camaro around... Back in the early 70's you were considered one of the "bad boys" of Vander, but you were actually a really good friend. Today, I send your family prayers to help them thru this hard time and hope that memories of you will live with them always. Good bye Jimmy, God bless you...

“ I was saddened when I heard this, my heart and prayers goes out to the Cooper family, I worked with Jimmy at Len-care for many years, enjoyed him at every moment, there was never a dull day when he worked with us and when he was off or not there on some days we truly missed him, and then those WERE dull days. He will be missed, but not forgotten. I'm a believer in Christ and we will see him again. Family I'm so sorry but please keep in mind that he's in a better place, no more worry, and I bet you he's still cutting up and smiling with our Lord and Savior....with love from the Len-care crew!
