“ Grandpa,

You have been an amazing man in my life.

You accepted my sister and I as your own. You taught us valuable lessons. You were patient with us and you loved us more than we could have ever asked for.

I will never look at another lake or boat without thinking of you and the wonderful memories you have left with me. I will go fishing and always have a chair for you Grandpa!

Thank you for loving us Grandpa. Thank you for loving Grandma the way you always have. I always loved seeing the smile you'd have when you looked at her.

I will you see again Grandpa.

Love you,

Adelle

Sammy my sweet brother. Our family circle will never be the same without our big brother. I love you so much but we will be together again. Now go rest high on that mountain with our beautiful mama and sweet baby Annabelle.

I love you so much Sammy. God decided that it is time to go home. I know that you are having a good time with the love ones that had passed before you, and when it is my time you will be there waiting for me. Love and Kisses forever!
