“ Tiffany....u were my "other " daughter....a sis to Shannon and Casey. I just considered you another one of my children. Even in adult life I watched you live life to the fullest. You made others laugh and your smile was contagious!! You were a good "daughter"....an awesome mother to your children....a great friend to me and my daughters and a great aunt to my grandsons...carsen jeffery and Jackson. You have left us way too soon and will be missed for a long time to come. Love you always.....Marcia Livingston (carrothers)
