“ *Brenda and I attended Mars Hill University together and drove back and forth from school to Sanford on many occasions. I had called her about a year ago and we had talked and I planned to get to see her. I was very sorry to read about her death. She was a precious individual with a great sense of humor and a quick retort if you deserved it. I would like to attend her services this summer if you could notify me. Again, let me offer my deepest sympathy to the family.*

“ *Was saddened to learn of Brenda's passing. I have fond memories of our times spent together over the years. We shared a love for counting cross-stitch and I have several of her lovely pieces she made for me that I cherish. She was a lovely lady and brought a lot of joy to my life. My thoughts and prayers are with Jane, Charlotte and the rest of her family. May God give you peace and comfort during this difficult time.*

“ Our Lord is smiling, for He has brought forth into His arms a talented, unselfish and giving, and beautiful Soul. Now Heaven will be splashed with her wonderful laughter and bright, bold colors!

May her heart encompass the strength of her very special daughters and granddaughter.

*I have loved and respected you, my friend and "sister," for 47 years, and will always miss you and keep you in a corner of my heart!!

“ Brenda and Charles where such a great part of my late husband, Buddy Makepeace, and my life, Peggy in the mid 60's and early 70's. There was no pizza anywhere but Fayetteville and that is right where they were!

*I was in real estate in Sanford and Brenda was in Fayetteville.
I know your wonderful memories will be a blessing in the years ahead.*
