“ Chuck you were one of kindest & most gentle men I knew. I'll never forget our runnin' & clubbin' days. And all those chillin' days at Lake Unity. You will be missed & loved always. Love , Amy 💕🙌👉

“ Prayers sent to everyone in the family. I met Chuck through his sister Teresa which she is one of my best friends. When I first met Chuck I just fell in love with how sweet he was. He was a very loving and caring man. You will always be remembered and I am so proud that you fought til the end. You lived longer than they expected. You were a true fighter! I will remember all our laughs at big daddy's! We loved our music! Prayers ♡

“ Chuck was a wonderful man in every way I knew him. I had the honor of having 2 of his grandchildren and though it was late in his life and health he was a wonderful grandfather to my children, even my son that was of no blood relation to him. He was a wonderful father in law and I couldn't ask for a kinder man to be the grandfather of my children (all 3). He thought of all 3 of my children as his grandkids and treated them all the same and that alone says a lot. We had numerous chats about the world and how we were all doing, and no matter how bad things were looking my way, he always had a positive spin to give me to brighten my mood. He was truly a beautiful soul and we will truly miss him very much!! Chuck, your grandchildren will know who you were and what a wonderful man you were through everything we encountered, and I will forever hold a place in my heart for you. Fish lots and find my dad because I know y'all will have a blast together talking about fishing and these beautiful grandbabies y'all have and share.
