

Cornelius Terrill Shaw

February 4, 1975 - March 10, 2021

Cornelius Terrill Shaw, 46, passed away in his home on Wednesday, March 10, 2021.

Cornelius Terrill Shaw always had a passion for cars. As a child, he collected every Matchbox car as soon as it was in stores. As he got older, he showed interest in putting model cars together. He also had a passion for electronics and would take things apart and put them back together to repair them.

Cornelius was one of the most humblest people that you could ever encounter. He was always willing to lend a helping hand to his friends and family. Because of his interest in cars, he would assist them with working on their cars and installing stereo systems. His biggest passion was low rider cars and belonging to a low rider club. His dream came true in December 2020, when friends of his rebuilt his low rider Cadillac. They also surprised him with one of the largest low riders cruises in downtown Fayetteville, NC. He had also initiated his own low rider club called "910 Ryderz". Subsequently, his wish and dream came true to have his own low rider car and to belong to a club.

He is survived by his spouse, Tina Crick Shaw of Fayetteville; son, Malik Ishmael Shaw of Fayetteville; mother and step father, Sherion & Kenneth Zachary of Charlotte, NC; sisters Sasha Kalia Malloy of Mooresville, NC and Jamila Areielle Malloy of Charlotte, NC; grandfather, Thomas Shaw of Fayetteville and best friend, Zoe Shaw of Fayetteville.

There will be no services.
