"DAD"

If I could write a story  
It would be the greatest ever told  
Of a kind and loving Dad  
Who had a heart of gold  
I could write a million pages  
But still be unable to say, just how  
Much I love and miss him  
Every single day  
I will remember all he taught me

I'm hurt but won't be sad  
Because he'll send me down the answers  
and he'll always be My DAD

“ *Mike you will be so missed by all who knew you. You were a good friend for many many years. My best memory of you will always be the fun we had on the boat dock at Jamie's in high school. You always had a smile on your face and made us laugh with your jokes and cut ups. RIP my dear friend until we meet again.. To the family so sorry for your loss and many prayers for you all. My deepest sympathies Cynthia Lovette Greenway*
