"The most beautiful people we have known are those that have known defeat,

known suffering, known struggle, known loss, and have found their way out of the depths. These persons have an appreciation, a sensitivity, and an understanding of life that fills them with compassion, gentleness, and a deep loving concern. Beautiful people do not just happen." “ *Deb was my BFF for 57 years she was 4 years old I was 5. She couldn't understand when I was 6 and went to first grade at Mary McArthur she would stand in her front yard on Ireland Drive while I went to school. We used to hide from my sister and runaway alot. We stayed in trouble but always had each other's back we knew each other's darkest secrets more than our families not spouses because we were True Friends. I am still heart broken and sad God gained another Angel my Deb RIP I miss your opinions on men and life. You always told me like it was never sugar coating I will always Love Debra Harris Hobbs. You always called me as Debbie Riddle as my first name God please take care if your new Angel*
