“ *My dearest Diana: We may not have been sisters in blood but we are more than that in love. I'll be here for the love of your life Courtney even if it's just to talk. I'm gonna miss you so very much and all the cutting up we did. Although the Heavenly Father took you home far too soon for the rest of us, we all know that all things are done in His time, not ours. You will be truly missed, my dear. I've cried many tears for you and for some time to come I'll continue to do so, but God is calling you home now, so go towards the light and RIP. Much love, kisses & hugs. Carmel & JD*
