“ Even though we haven't had the chance to hang out in years, you were always part of our family. We all had so many good times, feels like they were just yesterday. Your friendship will never be forgotten. I wish we could be there to honor our friend and hug each one of you. Unfortunately, we are in Florida and unable to make it there tomorrow. Terry and Jamie are here as well. Please know that our hearts are with each one of you. I will continue to send prayers for Trina & the family. We love you all and thinking of you all. Rest in peace Donnie. We will see you again on the other side.

Love,
