“ *My aunt was wonderful, when I was a kid she would sit on our bed while my sister and I cleaned. Being older now I understand but then didn't like it. I will miss her.*

“ *I have known Donna through her many heartaches over the past 40 years and yet I saw her rise up and move on to do wonderful things in her life. She was a blessing for me and a friend. I will cherish her memory. Chris, Chris Jr., Shelia, Jason, and Jaclyn and all those great grandbabies, I will keep you in my prayers.*
