“ Dear sweet friend Gertrud ....so many many days I have thought of you ...so much history we shared in life . Please know as you dance in heaven with your dear loved ones that we knew and loved together ... that I missed you all over the years ... and I know that you are happy now ... there with Ricky and Ronnie and Andy . And all the critters that you loved with all your heart. I love you Gertrud .. tho I was not such a good friend over the past few years .... I truly loved you and so grateful for you being there for me in my times of need. Rest in sweet peace
