“ I am Kenny's sister Diane...I didn't meet Kenny until I was 14...but I knew who he was on sight..because we favored each other so much....we lost touch over 40 years but I never stopped thinking of him....I remember his kids and the first visit with him because he bought me ice cream...I am so sorry for your loss and mine because we didn't stay in touch...I so wish we had....bless all of you
