“ My dearest, Linda. Although I didn't know Scotty personally, I felt that I did through the joys and health struggles you've shared with me. I have prayed and saw healing in the past for Scotty. And now he is truly healed as he begins a new life with Jesus. My heartfelt condolences, Linda. Will continue to uphold you in prayer. Hugs, my friend. ❤️

“ Today is Father's Day, and I know it will be difficult for your family. What a good and loving man he was! And gone too, too soon. It is also the last day of the US Open, which, I guarantee you, we would have discussed in detail. I will miss him, especially at church.
