“ *Although we never met Dr. Crumpton we had the pleasure of being in the presence of his lovely wife on several occasions. Such a rare person as Anna must have been inspired by the love of her companion Jack.*

A dear friend of mine lost her parents two months apart and she told me as hard as it was for those left behind, they understood their parents need to be together again. Our thoughts and prayers are with you during this time of great loss. May God provide comfort to your heart in very special ways. Watch for "signs." "Louetta Young and Pat Godwin

“ *My name is Rebecca and I had the pleasure of knowing Mr. Crumpton at the dentist office. He has always been one of my most memorable and favorite patients. His kind and gentle demeanor was always so pleasant, he will be greatly missed as I know he was greatly loved.*
