“ *There are too many memories for time and space to allow here. Love and friendship that lasted a lifetime. Loyalty that knew no bounds and was steadfast. Everyone should be blessed with a friend so faithful as mine. The last time we spoke, just days before she became ill, she said she wished we could just sit and reminisce for at least two weeks. Little did I know that this would be our last conversation. Had I known, I would have made that wish a reality. We may have even enjoyed some Judy Stew and kicked back with some Janis Joplin. She will live forever in my heart and memories. I will miss her forever and hold fast to the hope of seeing her again. RIP beloved friend.*

“ Where do I begin? Misty, Chelsea, Tony and Zack I pray that God will wrap his arms around you and give you peace and comfort for the days ahead. Misty and Chelsea you were your moms world. She loved you two and was so proud of you both. I always told her God took my mom but he gave me her. She was like a second mom to me and I am lost. We did everything together...She was very special to me. She will defiantly be missed by many. I pray for strength for you all during this time. Love and hugs to you all. Never forget I'm just a phone call away
