“ The memory of her opening her arms during the last hurricane I got

“ *Lacie was always a breath of fresh air. I had not seen her much  
over the last several years, but whenever I did..she always greeted  
me with a hug and a smile. No one had a prettier smile than she did.  
I will miss her uniqueness and her ability to always make everyone  
feel like they were special. I was so blessed to have known her and  
share a part of my life with her. She will always be a part of my  
fondest memories and in my heart. Prayers and love go out to the  
family during this most difficult time.*
