“ *April,*

We are sorry for your loss. The family is in our prayers. I will definitely miss this beautiful lady, she was always so sweet. Thinking back on memories, she was a great cook, I always loved hanging out for dinner and our snack night on New Year's Eve. Then the time we did Mexican and she made the best re-fried beans with bacon grease. Great times! I am thankful to have known such a kind lady!

“ I laughed so hard on Brandon's birthday this past September when Brandon opened his card from mom and he said, "Why is there bunnies, eggs and glitter all over the card?" Then as he opened it said, "Happy Easter to my Grandson." Brandon said, "Why did you give me an Easter card for my birthday?" Mom said because it looked pretty. So she did not completely read the card before she stuck money in it, signed it, & stuffed it in the envelope. I Love you Mom and give daddy a kiss for me.
