“ Linda was my neighbor & friend for many, many years. Also, her parents & my parents were best of friends. I will never forget precious times our families have enjoyed together. I recall picking Linda up several times & we would just "ride around" our community & surrounding areas talking non-stop as we rode. We also spent many years together at Magnolia Baptist church. It was such a joy to be her friend. I have precious memories that will be in my heart forever. Much love to you Linda - enjoy the wonders of heaven & please tell my parents hello & that I love them.

“ My sincerest condolences to your entire family with the passing of Linda and how we remember her untiring love that touched our very countless lives. Her son Ray Vbra, a brotherly man to myself, and our Vietnam Wall gathering with his Mom, is a memory that was shining like the heavens that day when we were reunited. God Bless you Linda and your forever loved, never forgotten on behalf of our entire Jenkins family for the hero you've always been. 🙏🕊️

“ When my brother Raymond was dating Linda, before they were married, he showed me a photo of her that he kept in his wallet. He asked me "Isn't she good looking?" Yes she was. They went on to have a son who was also named Raymond and I recall when he was born

“ There are no words to express the wonderful person Aunt Linda was and still is. She blessed so many and definitely has had a positive impact on so many lives. I was blessed to have her as my Aunt for many years and will be blessed having her watch over myself and our family and friends. She will be missed but it's comforting know she left so many wonderful memories with so many people.
