“ Hard to find a starting point, I loved this lady so much she was genuine, kind loving and someone I am proud to call a true friend, we had many laughs, and tears together. Bible Study, S.O.S (sister of strength) ministry. I will miss her, but I will remember her grabbing my hand and kissing it as I was leaving the hospital and me kissing her hand and being able to tell her one last time I love you Margaret!

“ Margaret was a wonderful role model and a dedicated friend to our mother and our family. We were neighbors for many years and my sisters and I were babysitters for Tom. Margaret and Richard were a beautiful couple and great friends to us. I'll miss my birthday and anniversary cards sent with love and our phone calls.
