

Morgan Campbell

November 6, 2018

My Beloved Morgan Campbell, 16, passed away peacefully on November 6, 2018 at Cape Fear Animal Hospital. He fought a long battle with illnesses in his older years, but still remained a puppy at heart. He was a brave little trooper.

He was the most loyal and loving companion I have ever had. He is truly missed and loved.

He is survived by his Mommy Karen, of the home. Here's hoping,

"All dogs go to heaven"
