“ Mrs Pat Horne was one of 4 women I was blessed to have worked with from 1985 to April of 1991 when she retired. She was a true example of honesty and integrity and never minding sharing her knowledge of how the ASCS office was supposed to operate. My condolences to the family. Sharon Scott.

I loved Pat from the moment we met! I was dating her brother Stacy at that time. One year later we went to see her and Dan to tell them we're going to get married. Pat was making a pitcher of tea and was so surprised at our announcement that she put the pitcher of tea in the kitchen cabinet. I asked: Pat did you mean to put the tea in the cabinet? I could go on and on about our experiences but there was great love and respect in our relationship, I agree with Sharon she was a true example of honesty and integrity! I will miss her, my love for her will never fade! Betty
