*I meant Rhena by selling some Precious Moments to her. The first time she bought some she asked if I could tell her when I had more. Little did we know - that was the start of our very special friendship and becoming BESTIE'S (as she would say)  
If you got the pleasure of knowing Rhena - You were LUCKY "  
I know I was. I will forever treasure the times I got to spend with her and all the talks we had about everything. We had a lot in common and really just " GOT EACH OTHER " I miss her now and forever. She was " ONE OF A KIND " and I'm glad I got to call her MY BEST FREIND>  
She will always be in my heart.

“ *We were lucky enough to be neighbors to Bill, Rhena, and Willy for a few years. Rhena was always so kind and happy. She never passed a yard sale she didn't "need" something from. We miss her dearly.*
