“ *It's been a year, dearest Grandpa. Life is so empty without you here to guide us. I miss you terribly, but know that you are in a much happier place! We keep your memory alive daily, sharing all of our memories with you. Our best memories are from Post Road and the lake/beach! Fishing, swimming and generally cutting up being kids, running around outside ALWAYS! Picking the weeds out of the crushed shell driveway, getting paid a nickel for every bucketful.....AFTER it was stomped on to crush the weeds!!!! The wisdom you shared, the "Davis" Math, the pride you took in our Country, the service you gave in the US Airforce, the love you had for all of us. The life you dedicated to us all. I love you, Grandpoobah! God Bless the USA!!!*
