“ *Bobby did yard work and handy-man work for me for over 5 years. I was very sad when he told me that due to health reasons he would not be able to continue helping me. He was always very dependable and conscientious about the things that he did and if I asked him to do something, he'd figure out a way or suggest a better way to do things.*

I never had to worry about him not being honest or trust-worthy.

I believe I met some of the family when I went to the visitation at Jernigan Warren Funeral Home for Mrs. Forde. I am so sorry for the untimely death of Bobby and I know you all will miss him very much.

Please know I will be praying for you as a family.

“ I first met Bobby in 1980 when his brother Mike married my sister, Claudia. Bobby always struck me as a *Gentle Giant* -- with a hulk of a body on the outside, but a kind, gentle, sensitive soul within. I last saw Bobby at Christmas 2015. He was in great spirits that day!! --and still had a good sense of humor to boot, despite his pain at the time. I remember his crooked smile. :)
What a kind, gentle man.
My sincere condolences to Danny, Mike & Claudia, and Debbie, and to Bobby's nephews and nieces.
