“ Ronny I think of you every day. I am devastated. I love you still & I know you loved me. You were a good man & had a heart of gold. You were a giver, not a taker. You were loyal & bluntly honest. The world has lost a very special person & a light has been snuffed out too early. God wanted you with Him & now you're with your Dad. Another very special man. It comforts me to know you're both together with our Lord & Savior Jesus Christ. You tried my love. You suffered through a lot but now you're at Peace. I knew your heart my Darling man. It was huge and unselfish. I will see you again some day. I talk to you all the time as I know you hear me. You told me you loved me more than anything else on God's green earth. I felt the same for you. Everything was just so convoluted, we never had a chance to live our life together to the fullest. That's ok honey because now you can rest and you're finally at Peace. Something you never had on earth.
