

William Macolm Forbes

June 18, 1955 - January 24, 2022

October 2nd 1974 William "Billy" Forbes started working at the Fayetteville Fire Department. FF Forbes was one of the original members of the hazardous materials team members and was a key asset in the developmental progress of what our hazmat team is today. He trained and molded many young minds who came into the fire service and had an interest in becoming a hazmat team member. He was a well-respected and instructor when it came to Hazardous Materials. FF Forbes eventually retired on January 1st 1996 but continued to teach hazmat and serve an important role for the fire dept. FF Forbes passed away on January 24th 2022. His legacy will always be remembered for the hard work and knowledge he shared with others. Rest in peace brother Billy, we'll take it from here.
