“ *Bill was such a genuine person and he was always concerned about everyone in his circle of family and friends. He was so well liked and respected by people who knew him. Bill always went out of his way to check on Harry when Harry became ill. That meant the world to both of us. An expert at his many crafts and constantly keeping busy even when he wasn't feeling his best. Bill, you will be missed by so many people. I know you're enjoying your knew home. ❤️🙏❤️*
